

# GSA Overview Guide

## A simple path to procure Fríant furniture through GSA

Fríant is an approved GSA contract holder, giving federal agencies a straightforward way to specify and purchase furniture solutions for government workspaces.

Whether you're planning a single office update or a larger workplace project, Fríant helps make the process easier to understand, easier to coordinate, and easier to move forward.

FRÍANT

GSA CONTRACT HOLDER

FRÍANT

# How to Buy Through GSA

**1. Define your project needs**
Start with your space, requirements, timeline, and any product categories you need to include. Fríant can help you identify solutions that fit your project scope.

**2. Reference Fríant under the GSA Schedule**
Use Fríant's GSA contract details when preparing your purchase request, quote, or project documentation.

Contract Number: 47QSMA23D08Q6
SIN: 33721

**3. Connect with Fríant or your local dealer**
Work with Fríant or an authorized dealer to confirm product details, pricing, availability, specifications, and ordering requirements.

**Contact:** Howard Lerman
**Email:** howard.lerman@friant.com
