A PARTNER BUILT FOR YOUR SUCCESS

FRÍANT

For more than 30 years, Fríant has helped dealers deliver projects with speed and confidence. With U.S. manufacturing, global production, and a commitment to thoughtful design, we make it easier to keep timelines, manage budgets, and bring client visions to life.

With the right partner, you can keep momentum, meet expectations, and build confidence at every stage.

Meet ReddiSpace:

a versatile office pod that delivers privacy, power, and comfort in open offices.

FRÍANT
RE

REDDISPACE

***Built for flexibility.
Designed for focus.***

ReddiSpace brings acoustic performance and design versatility together in a collection of pods built for the evolving workplace. Each pod offers reliable soundproofing, plug-and-play power, effective ventilation, and motion-activated lighting, creating a calm space for calls, collaboration, or deep focus. A durable steel exterior and layered acoustic interior deliver lasting strength and quiet comfort, while casters allow easy movement for quicker installation.*

Available in five sizes—QuickTime, MeTime, WeTime, OurTime, and ADA (an accessible pod made to help comply with The Americans with Disabilities Act)—ReddiSpace adapts to the way your team works.

*Casters not available on the ADA model. The ADA Pod features a floorless design with hands-free access for wheelchair users.

Design

A clean, architectural silhouette wrapped in a durable steel exterior. Thoughtfully crafted with customizable finishes and integrated power, every ReddiSpace pod is GREENGUARD® Certified for low chemical emissions, supporting healthier workspaces without compromising style.

Focus

With tested noise reduction of up to 30dB, certified to ISO 23351-1:2020(E) standards for Class A speech level reduction, acoustic panels and tempered glass combine to create a calm, focused environment—enhanced by motion-activated lighting for comfort and clarity.

Adaptability

Designed for fast setup and effortless integration, ReddiSpace connects easily to power and adapts to a variety of layouts. With five size options, it fits the needs of any team or floor plan.*

*Installation features vary by model. The ADA Pod includes a floorless, stationary design for barrier-free access.

4-Person Office Pod Deluxe

OurTime

OurTime creates a dedicated zone for team connection and collaboration. With generous space for group discussions, hybrid meetings, and creative work, it keeps the energy in the room and the noise out of the office.

- **Spacious collaboration**

Designed for group sessions and extended meetings, OurTime comfortably accommodates up to four people.

- **Acoustically balanced**

High-performance materials keep sound contained, so teams can focus without distraction.

- **Optional furnishings**

Pair with the **OurTime Freestanding Table** and **OurTime Sofa** for a complete, meeting-ready setup.

- **Air that keeps you comfortable**

A quiet ventilation system refreshes the space every minute for lasting comfort and focus.

FRIANT

4-Person Office Pod Plus

WeTime

WeTime brings teams together in a focused, acoustically balanced space built for collaboration. Ideal for quick brainstorms or hybrid meetings, it creates room for ideas to flow without office distractions getting in the way.

- **Optional furnishings**

Pair with the **WeTime Freestanding Table** and **WeTime Sofa** for a fully equipped meeting space.

- **Private collaboration**

Acoustic construction reduces outside noise so conversations stay clear, focused, and contained.

- **Made for meetings**

Spacious enough for two to four people, WeTime supports quick huddles, creative sessions, or client calls in comfort.

- **Always fresh**

Integrated ventilation system refreshes booth air every 1.58 minutes for consistent comfort.

- **Plug in and get started**

Integrated power and lighting make setup effortless—just connect and collaborate.

FRIANT

ADA Office Pod

The ADA Office Pod delivers the same quiet performance and refined design as the rest of the ReddiSpace collection—thoughtfully engineered for easy, barrier-free access without compromising style or functionality.

- **Open and accessible**

A floorless design allows smooth, effortless entry and exit, creating a seamless transition from any workspace.

- **Consistent performance**

Acoustic insulation, lighting, and ventilation match the ReddiSpace standard—quiet, comfortable, and ready to work.

- **Optional furnishings**

Add the **ADA Foldable Table** for a practical, flexible workspace within the pod.

- **Hands-free entry**

The automatic door opener offers convenience for every user, with reliable function and understated style.

- **Fresh air, on demand**

Continuous airflow refreshes every 1.2 minutes.

FRIANT

Solo Office Pod Deluxe

MeTime

Spacious enough for laptops and creative flow, MeTime offers a calm, distraction-free zone for solo work sessions. Designed for comfort and concentration, it transforms any open office into a private retreat for productivity.

- **Engineered for quiet**

Layered acoustic panels absorb noise and create a peaceful environment that keeps you in the zone.

- **Purposeful design**

Motion-activated lighting and ventilation adjust automatically for comfort without distraction.

- **Room to think**

A larger footprint allows more personal space and comfort, ideal for extended focus or one-on-one video calls.

- **Optional work surface**

Add the **MeTime Wall-Mounted Worktop** for laptop use and added comfort during longer sessions.

- **Comfort that lasts**

Continuous airflow renews the air every minute, maintaining a fresh, balanced environment inside the pod.

FRIANT

Solo Office Pod Basic

QuickTime

Compact, efficient, and always within reach, QuickTime is designed for short, focused work sessions and private calls in dynamic environments.

- **Privacy in seconds**

Step inside and tune out distractions, the acoustic design reduces external noise for uninterrupted calls or bursts of focus.

- **Ready when you are**

Plug-and-play power, motion-activated lighting, and ventilation mean no installation downtime—just step in and start working.

- **Optional seating**

Pair with the **QuickTime Adjustable Height Stool** for lasting comfort during quick calls or check-ins.

- **Work within reach**

Includes an integrated work surface designed for quick calls or focused laptop sessions.

- **Small footprint, big impact**

At just 40.5" square, QuickTime fits neatly into open offices or shared zones without disrupting flow.

- **Like a breath of fresh air**

Continuous airflow renews the air every 1.65 minutes, maintaining a fresh, balanced environment inside the pod.
