

Customer's Own Material (COM) Test Form

for testing & approval of non-standard fabrics

DATE: _____

MUST BE SUBMITTED PRIOR TO ORDER SUBMISSION.

- All non-standard fabrics must be sent to Friant Customer Service for testing and approval prior to order submission by the dealer.
- Complete all form fields below.
- Attach 2.5 yards of the fabric to this form. (If testing on more than one product, attach 2.5 yards of fabric per product.)
- Forward the completed test form and fabric to the attention of your Customer Service Representative at this address:
 Friant & Associates
 4901 East 12th Street
 Oakland, CA 94601
- Please allow 5 business days (from sample receipt by Friant) for testing and notification of written approval by your Customer Service Representative.
