

GSA Overview Guide

A simple path to procure Fríant furniture through GSA

Fríant is an approved GSA contract holder, giving federal agencies a straightforward way to specify and purchase furniture solutions for government workspaces.

Whether you're planning a single office update or a larger workplace project, Fríant helps make the process easier to understand, easier to coordinate, and easier to move forward.

GSA Contract Details

Contract Number: 47QSMA23D08Q6

SIN: 33721

Coverage: Nationwide

Ordering: Direct or through authorized dealers

Contract Period: June 29, 2023 to June 28, 2028

Furniture Solutions Available Through Fríant

Fríant supports government workspace projects with furniture solutions for a range of environments, including:

Workstations & Panel Systems

Flexible layouts for individual and team environments.

Seating

Everyday seating solutions for offices, meeting areas, and shared spaces.

Conference & Tables

Tables for collaboration, meetings, training, and common areas.

Desks, Storage & Cabinetry

Practical solutions for private offices, shared workspaces, and support areas.

Private Spaces & Pods

Enclosed environments that support focus and privacy.

How to Buy Through GSA

1. Define your project needs

Start with your space, requirements, timeline, and any product categories you need to include. Fríant can help you identify solutions that fit your project scope.

2. Reference Fríant under the GSA Schedule

Use Fríant's GSA contract details when preparing your purchase request, quote, or project documentation.

Contract Number: 47QSMA23D08Q6
SIN: 33721

3. Connect with Fríant or your local dealer

Work with Fríant or an authorized dealer to confirm product details, pricing, availability, specifications, and ordering requirements.
