ReddiSpace

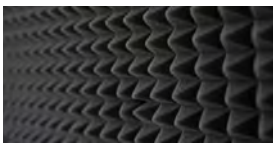
Introducing ReddiSpace, the ultimate solution for a private and focused environment. Our premium acoustic booth combines functionality and style for the ultimate productive workspace. For moments when you need a quiet space to concentrate and minimize distractions, **ReddiSpace is ready**.

Soundproofing



Designed with exceptional soundproofing performance, providing a private and distraction-free environment that allows you to focus, communicate, and work without interruptions from external noise.

Adaptability

Equipped with a convenient work surface, lighting, and plug-and-play power, ReddiSpace supports your work style and needs. Its casters make the booth mobile, allowing you to easily move and place it in different locations within your workspace as needed.

Customization

From the exterior casing to the interior walls, carpet, and more, design your ideal ReddiSpace to reflect your unique style and compliment your workplace aesthetic.

UL Certified

ReddiSpace has undergone rigorous testing and complies with industry standards. Engineered with stability and security in mind, ReddiSpace is UL certified, meeting recognized safety requirements and providing a safe and comfortable station for your workspace.
