

FRÍANT

ZENITH

Perfect. Every time.

Why Fríant?

For more than 30 years, Fríant has helped dealers deliver projects with speed and confidence. With U.S. manufacturing, global production, and a commitment to thoughtful design, we make it easier to keep timelines, manage budgets, and bring client visions to life. With the right partner, you can keep momentum, meet expectations, and build confidence at every stage.

Why Zenith?

Zenith is a professional task chair that combines modern design, responsive ergonomics, and exceptional value. Its self-adjusting support system delivers immediate comfort with minimal adjustments, making it an ideal seating solution for private offices, open workspaces, conference rooms, and collaborative environments.

[friant.com/zenith](https://www.friant.com/zenith)

"We curated Zenith to be the chair for everyone, not just the ergonomics expert. Whether you're tall or short, in a private office or a collaborative workspace, Zenith delivers exceptional comfort from the moment you sit down."

Paul Friant, CEO and Founder

ZENITH

KEY BENEFITS

- Comfort at first sit: Immediate comfort without complicated adjustments.
- Fits more people: Ergonomic adjustments accommodate a broad range of users.
- Premium look: Modern sculptural design elevates any workspace.
- Built for daily use: Commercial-grade components withstand demanding office environments.
- Outstanding value: Delivers the comfort and appearance of a much higher-priced chair.
